## Product Datasheet

### O-2093, CAS [[439080-01-0]] APE-B6743

|                            |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| Article Name               | O-2093, CAS [[439080-01-0]]                                                                 |
| Biozol Catalog Number      | APE-B6743                                                                                   |
| Supplier Catalog Number    | B6743                                                                                       |
| Alternative Catalog Number | APE-B6743-5MG,APE-B6743-25MG                                                                |
| Manufacturer               | ApexBio                                                                                     |
| Category                   | Biochemikalien                                                                              |
| Product Description        | anandamide uptake inhibitor...                                                              |
| Molecular Weight           | 584.62                                                                                      |
| Purity                     | 98.00%                                                                                      |
| Sequence                   | <chem>ClC1=CC(CN(C(CCC/C=C\C/C=C\C/C=C\C/C=C\C/C=C\CCCC)=O)CC(C=C2Cl)=CC=C2O)=CC=C1O</chem> |
| CAS Number                 | [439080-01-0]                                                                               |
| Formula                    | C34H43Cl2NO3                                                                                |
