## Product Datasheet

### Dihydrorotenone, CAS [[6659-45-6]] APE-BA2963

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | Dihydrorotenone, CAS [[6659-45-6]]                                         |
| Biozol Catalog Number      | APE-BA2963                                                                 |
| Supplier Catalog Number    | BA2963                                                                     |
| Alternative Catalog Number | APE-BA2963-1MG,APE-BA2963-5MG,APE-BA2963-10MG                              |
| Manufacturer               | ApexBio                                                                    |
| Category                   | Biochemikalien                                                             |
| Product Description        | Dihydrorotenone is a natural insecticide and a mitochondrial inhibitor.... |
| Molecular Weight           | 396.43                                                                     |
| CAS Number                 | [6659-45-6]                                                                |
| Formula                    | C23H24O6                                                                   |
