## Product Datasheet

### Arphamenine B (hemisulfate), CAS [[144110-38-3]] APE-C4189

|                            |                                                               |
|----------------------------|---------------------------------------------------------------|
| Article Name               | Arphamenine B (hemisulfate), CAS [[144110-38-3]]              |
| Biozol Catalog Number      | APE-C4189                                                     |
| Supplier Catalog Number    | C4189                                                         |
| Alternative Catalog Number | APE-C4189-5MG,APE-C4189-10MG                                  |
| Manufacturer               | ApexBio                                                       |
| Category                   | Biochemikalien                                                |
| Product Description        | aminopeptidase B inhibitor...                                 |
| Molecular Weight           | 385.4                                                         |
| Purity                     | 95.00%                                                        |
| Sequence                   | N[C H](CCCNC(N)=N)C(C[C H](Cc(cc1)ccc1O)C(O)=O)=O.OS(O)(=O)=O |
| CAS Number                 | [144110-38-3]                                                 |
| Formula                    | C16H24N4O41/2H2SO4                                            |
