| Article Name               | CD33 antibody [WM53] (PE-Cy5), IgG1, PE/Cy5, Mouse, Monoclonal                   |
| Biozol Catalog Number      | GTX00477-09                                                                      |
| Supplier Catalog Number    | GTX00477-09                                                                      |
| Alternative Catalog Number | GTX00477-09-100                                                                  |
| Manufacturer               | GeneTex                                                                          |
| Host                       | Mouse                                                                            |
| Category                   | Antikörper                                                                       |
| Application                | FC                                                                               |
| Species Reactivity         | Human, Primate                                                                   |
| Immunogen                  | Human AML cells                                                                  |
| Conjugation                | PE/Cy5                                                                           |
| Clonality                  | Monoclonal                                                                       |
| Concentration              | Batch dependent (Please refer to the vial label for the specific concentration.) |
| Clone Designation          | [WM53]                                                                           |
| Isotype                    | IgG1                                                                             |
| NCBI                       | <a href="#">945</a>                                                              |
| UniProt                    | <a href="#">P20138</a>                                                           |
| Buffer                     | PBS, 15mM Sodium azide.                                                          |

|                   |                                                                                                                                                                                                 |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Purity            | Purified by size-exclusion chromatography                                                                                                                                                       |
| Form              | Liquid                                                                                                                                                                                          |
| Application Notes | FCM: 4 µl reagent / 100 µl of whole blood or 10 <sup>6</sup> cells in a suspension. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
