## Product Datasheet

### CD160 antibody [BY55] (APC), IgM, Mouse, Monoclonal GTX00488-07

|                            |                                                                                  |
|----------------------------|----------------------------------------------------------------------------------|
| Article Name               | CD160 antibody [BY55] (APC), IgM, Mouse, Monoclonal                              |
| Biozol Catalog Number      | GTX00488-07                                                                      |
| Supplier Catalog Number    | GTX00488-07                                                                      |
| Alternative Catalog Number | GTX00488-07-100                                                                  |
| Manufacturer               | GeneTex                                                                          |
| Host                       | Mouse                                                                            |
| Category                   | Antikörper                                                                       |
| Application                | FC                                                                               |
| Species Reactivity         | Human                                                                            |
| Immunogen                  | Human NK cell line YT2C2                                                         |
| Conjugation                | APC                                                                              |
| Clonality                  | Monoclonal                                                                       |
| Concentration              | Batch dependent (Please refer to the vial label for the specific concentration.) |
| Clone Designation          | [BY55]                                                                           |
| Isotype                    | IgM                                                                              |
| Sensitivity                | The antibody detects both GPI-anchored and transmembrane form of CD160.          |
| NCBI                       | <a href="#">11126</a>                                                            |

|                   |                                                                                                                                                                                                  |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt           | <a href="#">O95971</a>                                                                                                                                                                           |
| Buffer            | PBS, 15mM Sodium azide.                                                                                                                                                                          |
| Purity            | Purified by size-exclusion chromatography                                                                                                                                                        |
| Form              | Liquid                                                                                                                                                                                           |
| Application Notes | FCM: 10 µl reagent / 100 µl of whole blood or 10 <sup>6</sup> cells in a suspension. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
