## Product Datasheet

### Vasa antibody [HL2485-MS], Unconjugated, Mouse, Monoclonal GTX639347

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | Vasa antibody [HL2485-MS], Unconjugated, Mouse, Monoclonal               |
| Biozol Catalog Number      | GTX639347                                                                |
| Supplier Catalog Number    | GTX639347                                                                |
| Alternative Catalog Number | GTX639347-100,GTX639347-25                                               |
| Manufacturer               | GeneTex                                                                  |
| Host                       | Mouse                                                                    |
| Category                   | Antikörper                                                               |
| Application                | IHC                                                                      |
| Species Reactivity         | Zebrafish                                                                |
| Immunogen                  | Recombinant fragment of zebrafish Vasa                                   |
| Conjugation                | Unconjugated                                                             |
| Clonality                  | Monoclonal                                                               |
| Concentration              | 1 mg/ml (Please refer to the vial label for the specific concentration.) |
| Clone Designation          | [HL2485-MS]                                                              |
| NCBI                       | <a href="#">30263</a>                                                    |
| Buffer                     | PBS, no preservative.                                                    |
| Purity                     | Affinity purified by Protein A.                                          |
| Form                       | Liquid                                                                   |
