## Product Datasheet

### **RNase L antibody, Unconjugated, Rabbit, Polyclonal GTX64577**

|                            |                                                                                                                      |
|----------------------------|----------------------------------------------------------------------------------------------------------------------|
| Article Name               | RNase L antibody, Unconjugated, Rabbit, Polyclonal                                                                   |
| Biozol Catalog Number      | GTX64577                                                                                                             |
| Supplier Catalog Number    | GTX64577                                                                                                             |
| Alternative Catalog Number | GTX64577-100                                                                                                         |
| Manufacturer               | GeneTex                                                                                                              |
| Host                       | Rabbit                                                                                                               |
| Category                   | Antikörper                                                                                                           |
| Application                | IHC-P, WB                                                                                                            |
| Species Reactivity         | Human, Mouse, Rat                                                                                                    |
| Immunogen                  | Recombinant fusion protein containing a sequence corresponding to amino acids 472-741 of human RNASEL (NP_066956.1). |
| Conjugation                | Unconjugated                                                                                                         |
| Clonality                  | Polyclonal                                                                                                           |
| Concentration              | Batch dependent (Please refer to the vial label for the specific concentration.)                                     |
| Molecular Weight           | 84                                                                                                                   |
| NCBI                       | <a href="#">6041</a>                                                                                                 |
| UniProt                    | <a href="#">Q05823</a>                                                                                               |
| Buffer                     | PBS, 50% Glycerol, 0.02% Sodium azide.                                                                               |

|                   |                                                                                                                                                      |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Purity            | Purified by affinity chromatography                                                                                                                  |
| Form              | Liquid                                                                                                                                               |
| Application Notes | WB: 1:500 - 1:2000. IHC-P: 1:50 - 1:200. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
