| Article Name               | EDD antibody, C-term, Unconjugated, Goat, Polyclonal                                                       |
| Biozol Catalog Number      | GTX89818                                                                                                   |
| Supplier Catalog Number    | GTX89818                                                                                                   |
| Alternative Catalog Number | GTX89818-100                                                                                               |
| Manufacturer               | GeneTex                                                                                                    |
| Host                       | Goat                                                                                                       |
| Category                   | Antikörper                                                                                                 |
| Application                | IHC-P                                                                                                      |
| Species Reactivity         | Human                                                                                                      |
| Immunogen                  | Peptide with sequence C-LAIKTKNFGFV, from the C Terminus of the protein sequence according to NP_056986.2. |
| Conjugation                | Unconjugated                                                                                               |
| Clonality                  | Polyclonal                                                                                                 |
| Concentration              | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                |
| NCBI                       | <a href="#">51366</a>                                                                                      |
| UniProt                    | <a href="#">O95071</a>                                                                                     |
| Buffer                     | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                         |

|                   |                                                                                                                              |
|-------------------|------------------------------------------------------------------------------------------------------------------------------|
| Purity            | Purified by ammonium sulphate precipitation followed by antigen affinity chromatography                                      |
| Form              | Liquid                                                                                                                       |
| Application Notes | IHC-P: 1-2µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
