## Product Datasheet

### Recombinant Human ERBIN Protein, N-GST & C-His PTG-ARO-P16216

|                            |                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------|
| Article Name               | Recombinant Human ERBIN Protein, N-GST & C-His                                             |
| Biozol Catalog Number      | PTG-ARO-P16216                                                                             |
| Supplier Catalog Number    | ARO-P16216                                                                                 |
| Alternative Catalog Number | PTG-ARO-P16216                                                                             |
| Manufacturer               | ProteoGenix                                                                                |
| Category                   | Proteine/Peptide                                                                           |
| Species Reactivity         | Human                                                                                      |
| Molecular Weight           | 37.89 kDa                                                                                  |
| Tag                        | N-Terminal GST & C-Terminal His Tag                                                        |
| UniProt                    | <a href="#">Q96RT1</a>                                                                     |
| Buffer                     | Lyophilized from a solution in PBS pH 7.4, 0.02% NLS, 1mM EDTA, 4% Trehalose, 1% Mannitol. |
| Expression System          | Procaryotic expression                                                                     |
| Target                     | ERBIN                                                                                      |
