| Species Reactivity         | Human                                                                                                                                                                                                                                          |
| Conjugation                | CF660C                                                                                                                                                                                                                                         |
| Product Description        | CD56 (r5.1.H11) is a recombinant mouse monoclonal antibody that recognizes the human protein CD56. This CF660C antibody conjugate has been validated in flow cytometry. It is supplied at 5 uL/test, with sufficient antibody for 25 tests.... |
| Clonality                  | Recombinant                                                                                                                                                                                                                                    |
| Concentration              | 100 ug/mL                                                                                                                                                                                                                                      |
| Clone Designation          | [r5.1H11]                                                                                                                                                                                                                                      |
| UniProt                    | <a href="#">P13591</a>                                                                                                                                                                                                                         |

|                   |                                                                             |
|-------------------|-----------------------------------------------------------------------------|
| Buffer            | PBS, 0.1% rBSA, 0.05% azide                                                 |
| Source            | Animal                                                                      |
| Application Notes | Recommended concentration for flow cytometry: 5 uL per million cells/0.1 mL |
