| Article Name               | InVivoMAb anti-mouse CD18, Clone: [M18/2], Rat, Monoclonal                           |
| Biozol Catalog Number      | BXC-BE0009                                                                           |
| Supplier Catalog Number    | BE0009                                                                               |
| Alternative Catalog Number | BXC-BE0009-1MG,BXC-BE0009-5MG,BXC-BE0009-25MG,BXC-BE0009-50MG,BXC-BE0009-100MG       |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Rat                                                                                  |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Mouse                                                                                |
| Immunogen                  | C57BL/10 splenocytes                                                                 |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                            |
| Clone Designation          | [M18/2]                                                                              |
| Molecular Weight           | 150 kDa                                                                              |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/30527911 target=_blank rel=nofollow>30527911 |
| Purity                     | 95% , Determined by SDS-PAGE                                                         |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                |
| Target                     | CD18                                                                                 |

|                   |                              |
|-------------------|------------------------------|
| Application Notes | in vivo LFA-1 neutralization |
