| Article Name               | InVivoMAb anti-mouse PSGL-1 (CD162), Clone: [4RA10], Rat, Monoclonal                 |
| Biozol Catalog Number      | BXC-BE0186                                                                           |
| Supplier Catalog Number    | BE0186                                                                               |
| Alternative Catalog Number | BXC-BE0186-1MG,BXC-BE0186-5MG,BXC-BE0186-25MG,BXC-BE0186-50MG,BXC-BE0186-100MG       |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Rat                                                                                  |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Mouse                                                                                |
| Immunogen                  | Mouse PSGL-1 human IgG1 fusion protein                                               |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific,typically between 4-11 mg/ml                                            |
| Clone Designation          | [4RA10]                                                                              |
| Molecular Weight           | 150 kDa                                                                              |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/25892224 target=_blank rel=nofollow>25892224 |
| Buffer                     | PBS, pH 7.0, Contains no stabilizers or preservatives                                |
| Purity                     | 95% , Determined by SDS-PAGE                                                         |

|                   |                                                        |
|-------------------|--------------------------------------------------------|
| Form              | Liquid                                                 |
| Formula           | PBS, pH 7.0, Contains no stabilizers or preservatives  |
| Target            | PSGL-1                                                 |
| Application Notes | in vivo PSGL-1 blockade, Immunohistochemistry (frozen) |
