## Product Datasheet

### **FlowMAb APC anti-mouse CD80 (B7-1), IgG2, Clone: [16-10A1], Hamster, Monoclonal BXC-FM0024-APC-025MCG**

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | FlowMAb APC anti-mouse CD80 (B7-1), IgG2, Clone: [16-10A1], Hamster, Monoclonal      |
| Biozol Catalog Number      | BXC-FM0024-APC-025MCG                                                                |
| Supplier Catalog Number    | FM0024-APC-025mcg                                                                    |
| Alternative Catalog Number | BXC-FM0024-APC-025MCG-25UG                                                           |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Hamster                                                                              |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Mouse                                                                                |
| Immunogen                  | CHO cell line transfected with mouse CD80                                            |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                           |
| Clone Designation          | [16-10A1]                                                                            |
| Molecular Weight           | 150 kDa                                                                              |
| Isotype                    | IgG2                                                                                 |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/25348623 target=_blank rel=nofollow>25348623 |
| Purity                     | 95% , Determined by SDS-PAGE                                                         |

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Formula           | PBS, pH 8.0, Contains no stabilizers or preservatives |
| Target            | CD80                                                  |
| Application Notes | in vivo CD80 blockade, Flow cytometry                 |
