## Product Datasheet

### FlowMAb PE anti-mouse F4/80, Clone: [Cl:A3-1], Rat, Monoclonal BXC-FM0206-PE-100MCG

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | FlowMAb PE anti-mouse F4/80, Clone: [Cl:A3-1], Rat, Monoclonal                       |
| Biozol Catalog Number      | BXC-FM0206-PE-100MCG                                                                 |
| Supplier Catalog Number    | FM0206-PE-100mcg                                                                     |
| Alternative Catalog Number | BXC-FM0206-PE-100MCG-100UG                                                           |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Rat                                                                                  |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Mouse                                                                                |
| Immunogen                  | C57BL/6 mouse thioglycollate stimulated peritoneal macrophages                       |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                           |
| Clone Designation          | [Cl:A3-1]                                                                            |
| Molecular Weight           | 150 kDa                                                                              |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/30423296 target=_blank rel=nofollow>30423296 |
| Purity                     | 95% , Determined by SDS-PAGE                                                         |
| Formula                    | PBS, pH 7.0, Contains no stabilizers or preservatives                                |
| Target                     | F4/80                                                                                |

|                   |                                                                                                                                          |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | in vivo Monocyte/Macrophage depletion, Functional assays, Immunohistochemistry (paraffin), Immunohistochemistry (frozen), Flow cytometry |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------|
