| Manufacturer               | MedchemExpress                                                                                                                             |
| Category                   | Kits/Assays                                                                                                                                |
| Product Description        | Polycaprolactone diol (MW 2000) (PCL-diol (MW 2000)) can be used as a precursor of biodegradable and bioabsorbable polycaprolactone[1].... |
| Molecular Weight           | 2000 (Average)                                                                                                                             |
| CAS Number                 | [36890-68-3]                                                                                                                               |
| Target                     | Biochemical Assay Reagents                                                                                                                 |
| Application Notes          | MCE Product type: Biochemical Assay Reagents                                                                                               |
