## Product Datasheet

### **L-Hercynine-d3, CAS [[1639966-63-4]] MCE-HY-143547S**

|                            |                                                            |
|----------------------------|------------------------------------------------------------|
| Article Name               | L-Hercynine-d3, CAS [[1639966-63-4]]                       |
| Biozol Catalog Number      | MCE-HY-143547S                                             |
| Supplier Catalog Number    | HY-143547S                                                 |
| Alternative Catalog Number | MCE-HY-143547S-10MG,MCE-HY-143547S-2.5MG                   |
| Manufacturer               | MedchemExpress                                             |
| Category                   | Biochemikalien                                             |
| Product Description        | L-Hercynine-d3 is the deuterium labeled L-Hercynine[1].... |
| Molecular Weight           | 200.25                                                     |
| Purity                     | 99.80                                                      |
| CAS Number                 | [1639966-63-4]                                             |
| Formula                    | C9H12D3N3O2                                                |
| Target                     | Isotope-Labeled Compounds                                  |
| Application Notes          | MCE Product type: Isotope-Labeled Compounds                |
