| Category                   | Biochemikalien                                                                        |
| Product Description        | C4 BODIPY 505/515 MG is a fluorescently labeled glycerolipid (Ex/Em = 495/503 nm).... |
| Molecular Weight           | 408.25                                                                                |
| CAS Number                 | [2260795-61-5]                                                                        |
| Formula                    | C20H27BF2N2O4                                                                         |
| Target                     | Fluorescent Dye                                                                       |
| Application Notes          | MCE Product type: Dye Reagents                                                        |
