## Product Datasheet

### **Ro/SS-A (60 kDa: native: bovine)** **BBI-15500-50UG**

|                            |                                                                                                               |
|----------------------------|---------------------------------------------------------------------------------------------------------------|
| Article Name               | Ro/SS-A (60 kDa: native: bovine)                                                                              |
| Biozol Catalog Number      | BBI-15500-50UG                                                                                                |
| Supplier Catalog Number    | 15500 - 50µg                                                                                                  |
| Alternative Catalog Number | BBI-15500-50UG                                                                                                |
| Manufacturer               | BBI Solutions                                                                                                 |
| Category                   | Proteine/Peptide                                                                                              |
| Application                | ELISA                                                                                                         |
| Buffer                     | Recommendations for storage buffer: neutral to slightly alkaline pH and 20% glycerol as cryoprotective agent. |
| Source                     | Bovine                                                                                                        |
| Target                     | Ro/SS-A                                                                                                       |
