## Product Datasheet

### Procalcitonin Monoclonal Antibody, Clone: [K8C7], Mouse BBI-BM448-K8C7-1MG

|                            |                                                         |
|----------------------------|---------------------------------------------------------|
| Article Name               | Procalcitonin Monoclonal Antibody, Clone: [K8C7], Mouse |
| Biozol Catalog Number      | BBI-BM448-K8C7-1MG                                      |
| Supplier Catalog Number    | BM448-K8C7 - 1mg                                        |
| Alternative Catalog Number | BBI-BM448-K8C7-1MG                                      |
| Manufacturer               | BBI Solutions                                           |
| Host                       | Mouse                                                   |
| Category                   | Antikörper                                              |
| Application                | CLIA, ELISA                                             |
| Immunogen                  | Human recombinant Procalcitonin                         |
| Clonality                  | Monoclonal                                              |
| Concentration              | 0.5mg/mL                                                |
| Clone Designation          | [K8C7]                                                  |
| Tag                        | Unconjugated                                            |
| Buffer                     | PBS buffer, pH 7.4                                      |
| Source                     | Cell Culture                                            |
| Purity                     | Defined by a major peak 90% on SEC HPLC.                |
| Target                     | Procalcitonin                                           |
| Antibody Type              | Primary Antibody                                        |
