## Product Datasheet

### **Prolactin (recombinant)** **BBI-P700-1-1MG**

|                            |                                                                   |
|----------------------------|-------------------------------------------------------------------|
| Article Name               | Prolactin (recombinant)                                           |
| Biozol Catalog Number      | BBI-P700-1-1MG                                                    |
| Supplier Catalog Number    | P700-1 - 1mg                                                      |
| Alternative Catalog Number | BBI-P700-1-1MG                                                    |
| Manufacturer               | BBi Solutions                                                     |
| Category                   | Proteine/Peptide                                                  |
| Application                | ELISA                                                             |
| Molecular Weight           | 22kDa                                                             |
| UniProt                    | <a href="#">P01236</a>                                            |
| Buffer                     | lyophilised in 50mM NH <sub>4</sub> HCO <sub>3</sub> and 1mM EDTA |
| Source                     | Recombinant in P. pastoris                                        |
| Purity                     | >96% pure                                                         |
| Target                     | Prolactin                                                         |
