| Article Name               | Lysosomal-Associated Membrane Protein 2, Human Recombinant                                                               |
| Biozol Catalog Number      | RAY-228-12886-2                                                                                                          |
| Supplier Catalog Number    | 228-12886-2                                                                                                              |
| Alternative Catalog Number | RAY-228-12886-2                                                                                                          |
| Manufacturer               | RayBiotech                                                                                                               |
| Category                   | Proteine/Peptide                                                                                                         |
| Species Reactivity         | Human                                                                                                                    |
| NCBI                       | <a href="#">3920</a>                                                                                                     |
| Expression System          | Sf9 Insect Cells                                                                                                         |
| Formula                    | LAMP2 (0.94mg/ml) is supplied in 16mM HEPES buffer pH-8.0, 130mM NaCl and 20% Glycerol.                                  |
| Application Dilute         | Immunological Test: LAMP2 binds IgG-type human auto-antibodies. Western blot with monoclonal antihexa- His-tag antibody. |
