| Article Name               | Recombinant Mouse BCL-10 Protein                                                                                                                      |
| Biozol Catalog Number      | RAY-230-01068-100                                                                                                                                     |
| Supplier Catalog Number    | 230-01068-100                                                                                                                                         |
| Alternative Catalog Number | RAY-230-01068-100                                                                                                                                     |
| Manufacturer               | RayBiotech                                                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                                                      |
| Species Reactivity         | Mouse                                                                                                                                                 |
| Product Description        | Recombinant mouse B-cell lymphoma/leukemia 10 (BCL-10) protein derived from E.coli...                                                                 |
| Concentration              | Lot specific (see the label on the vial), determined by Bradford protein assay.                                                                       |
| Molecular Weight           | 30 kDa                                                                                                                                                |
| Tag                        | His                                                                                                                                                   |
| Expression System          | E. coli                                                                                                                                               |
| Purity                     | SDS-PAGE under reducing conditions and visualized by Coomassie blue staining                                                                          |
| Form                       | Liquid                                                                                                                                                |
| Sequence                   | Glu 2-Gln233                                                                                                                                          |
| Formula                    | Filtered solution in 15 mM Na <sub>2</sub> HPO <sub>4</sub> (pH 7.5), 5 mM NaH <sub>2</sub> PO <sub>4</sub> , 0.5 M NaCl, 180 mM imidazole, 6 M urea. |
