| Article Name               | Anti-Fascin Antibody, Mouse                                                                     |
| Biozol Catalog Number      | RAY-188-10686-2                                                                                 |
| Supplier Catalog Number    | 188-10686-2                                                                                     |
| Alternative Catalog Number | RAY-188-10686-2                                                                                 |
| Manufacturer               | RayBiotech                                                                                      |
| Host                       | Mouse                                                                                           |
| Category                   | Antikörper                                                                                      |
| Species Reactivity         | Human                                                                                           |
| Immunogen                  | Full length recombinant human protein was used as the immunogen for the Fascin antibody.        |
| Product Description        | Mouse anti-Human Fascin Antibody...                                                             |
| Concentration              | 0.2 mg/ml in 1X PBS with 0.1 mg/ml BSA (US sourced) and 0.05% sodium azide                      |
| NCBI                       | <a href="#">6624</a>                                                                            |
| UniProt                    | <a href="#">Q16658</a>                                                                          |
| Purity                     | Protein G affinity chromatography                                                               |
| Application Notes          | Flow Cytometry: 0.5-1ug/million cells in 0.1ml Prediluted format: incubate for 30 min at RT (2) |
