## Product Datasheet

### Human Cardiac Troponin I (cTnI) ELISA Kit RAY-ELH-CTNI-2

|                            |                                                             |
|----------------------------|-------------------------------------------------------------|
| Article Name               | Human Cardiac Troponin I (cTnI) ELISA Kit                   |
| Biozol Catalog Number      | RAY-ELH-CTNI-2                                              |
| Supplier Catalog Number    | ELH-CTNI-2                                                  |
| Alternative Catalog Number | RAY-ELH-CTNI-2                                              |
| Manufacturer               | RayBiotech                                                  |
| Category                   | Kits/Assays                                                 |
| Species Reactivity         | Human                                                       |
| Product Description        | For cell culture supernatants, plasma, and serum samples... |
| Range                      | 0.38 pg/ml - 625 pg/ml                                      |
| Sensitivity                | 0.38 pg/ml                                                  |
| NCBI                       | <a href="#">7137</a>                                        |
| Form                       | 96-well Microplate                                          |
| Samples                    | Cell Culture Supernatants, Plasma, Serum                    |
| Target                     | Cardiac Troponin I / cTnI                                   |
| Application Dilute         | 2 fold                                                      |
| Application Notes          | Colorimetric                                                |
