| Category                   | Kits/Assays                                                                                                                                      |
| Product Description        | The Myeloperoxidase Activity Assay Kit provides a rapid, sensitive and reproducible tool for determining MPO activity in various sample types... |
| Sensitivity                | 0.02 mU/well                                                                                                                                     |
| Form                       | 96-well Microplate                                                                                                                               |
| Samples                    | Plasma, Serum, Cell Lysates                                                                                                                      |
| Target                     | Myeloperoxidase                                                                                                                                  |
| Application Notes          | Colorimetric                                                                                                                                     |
