| Category                   | Biochemikalien                                                                                                                                                                                                                                         |
| Product Description        | Catalyzes the hydrolysis of inorganic orthophosphate from phytate. 3-phytase A Protein, Aspergillus niger, Recombinant (His) is expressed in yeast with N-6xHis tag. The predicted molecular weight is 50.8 kDa and the accession number is P34752.... |
| Molecular Weight           | 50.8 kDa (predicted)                                                                                                                                                                                                                                   |
