| Manufacturer               | TargetMol                                                                                                                                                                                                        |
| Category                   | Biochemikalien                                                                                                                                                                                                   |
| Product Description        | Interferon tau-1/IFNT1 Protein, Bovine, Recombinant (E. coli, His) is expressed in E. coli expression system with N-6xHis tag. The predicted molecular weight is 23.8 kDa and the accession number is P15696.... |
| Molecular Weight           | 23.8 kDa (predicted)                                                                                                                                                                                             |
