| Manufacturer               | TargetMol                                                                                                                                                        |
| Category                   | Biochemikalien                                                                                                                                                   |
| Product Description        | Mucin-13 Protein, Human, Recombinant (His) is expressed in HEK293 Cells with C-10xHis. The accession number is Q9H3R2....                                        |
| Molecular Weight           | 44.0 kDa (Predicted)                                                                                                                                             |
