| Category                   | Biochemikalien                                                                                                                                |
| Product Description        | NAD-ME Protein, Human, Recombinant (His) is expressed in E. coli with C-6xHis. The accession number is P23368....                             |
| Molecular Weight           | 64.4 kDa (Predicted)                                                                                                                          |
