## Product Datasheet

### GSK-A, CAS [[923894-97-7]] TGM-T25471

|                            |                                                                |
|----------------------------|----------------------------------------------------------------|
| Article Name               | GSK-A, CAS [[923894-97-7]]                                     |
| Biozol Catalog Number      | TGM-T25471                                                     |
| Supplier Catalog Number    | T25471                                                         |
| Alternative Catalog Number | TGM-T25471-25MG,TGM-T25471-50MG,TGM-T25471-100MG               |
| Manufacturer               | TargetMol                                                      |
| Category                   | Biochemikalien                                                 |
| Product Description        | GSK-A is a Histone Lysine Methyltransferase EZH2 inhibitor.... |
| Molecular Weight           | 379.46                                                         |
| CAS Number                 | [923894-97-7]                                                  |
| Formula                    | C21H25N5O2                                                     |
| Target                     | Histone Methyltransferase   Others                             |
