## Product Datasheet

### **IAXO-101, CAS [[1202388-64-4]]** **TGM-T32128**

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | IAXO-101, CAS [[1202388-64-4]]                                           |
| Biozol Catalog Number      | TGM-T32128                                                               |
| Supplier Catalog Number    | T32128                                                                   |
| Alternative Catalog Number | TGM-T32128-25MG                                                          |
| Manufacturer               | TargetMol                                                                |
| Category                   | Biochemikalien                                                           |
| Product Description        | IAXO-101 interferes with TLR4/CD14 signals in humans, rats, and mice.... |
| Molecular Weight           | 810.02                                                                   |
| CAS Number                 | [1202388-64-4]                                                           |
| Formula                    | C42H84INO5                                                               |
| Target                     | Others                                                                   |
