| Category                   | Biochemikalien                                                                                   |
| Product Description        | DLIN-MC2-DMA (DLin-M-C2-DMA) is a lipid membrane and a potential nucleic acid carrier....        |
| Molecular Weight           | 628.07                                                                                           |
| Purity                     | 0.9953                                                                                           |
| CAS Number                 | [1221271-55-1]                                                                                   |
| Formula                    | C42H77NO2                                                                                        |
| Target                     | Others                                                                                           |
