## Product Datasheet

### **2,3-O-Acetyloxy-2,3,4,6,6-penta-O-benzyl-4-O-D-glucopyranosyl N-Benzyloxycarbonylmoranoline (alpha/beta mixture) USB-001529**

|                            |                                                                                                                      |
|----------------------------|----------------------------------------------------------------------------------------------------------------------|
| Article Name               | 2,3-O-Acetyloxy-2,3,4,6,6-penta-O-benzyl-4-O-D-glucopyranosyl N-Benzyloxycarbonylmoranoline (alpha/beta mixture)     |
| Biozol Catalog Number      | USB-001529                                                                                                           |
| Supplier Catalog Number    | 001529                                                                                                               |
| Alternative Catalog Number | USB-001529-10                                                                                                        |
| Manufacturer               | US Biological                                                                                                        |
| Category                   | Molekularbiologie                                                                                                    |
| Product Description        | Intermediate in the preparation of 4-O-alpha-D-Glucopyranosylmoranoline, a alpha-glucosidase inhibitor. Form: Oil... |
| Molecular Weight           | 994.13                                                                                                               |
| Form                       | Oil                                                                                                                  |
