| Host                       | Mouse                                                                                                                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | WB                                                                                                                                                                                                                                                            |
| Immunogen                  | Full length protein corresponding to aa1-420 from human TPBG.                                                                                                                                                                                                 |
| Product Description        | Oncofetal antigen 5T4, also TPBG and trophoblast glycoprotein, is a 72kD glycoprotein member of the LRR family of proteins. It is expressed on trophoblasts, tumor cells, ovarian cuboidal epithelium and embryonic stem cells, and impacts cell adhesion ... |
| NCBI                       | <a href="#">006670</a>                                                                                                                                                                                                                                        |
| Purity                     | Purified by Protein A affinity chromatography.                                                                                                                                                                                                                |
| Form                       | Supplied as a liquid in PBS, pH 7.2.                                                                                                                                                                                                                          |
