| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                  | Partial recombinant corresponding to aa293-376 from human PEX14 (NP_004556) with GST tag. MW of the GST tag alone is 26kD.                                                                                                                                    |
| Product Description        | Component of the peroxisomal translocation machinery with PEX13 and PEX17. Interacts with both the PTS1 and PTS2 receptors. Binds directly to PEX17. Applications: Suitable for use in ELISA and Western Blot. Other applications not tested. Recommended ... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [1G12]                                                                                                                                                                                                                                                        |
