| Product Description        | Applications: Suitable for use in ELISA, Western Blot, Immunohistochemistry, Immunocytochemistry. Other applications not tested. Recommended Dilution: ELISA: 1:100-200 Western Blot: 1:100-400 Immunocytochemistry: 1:100-500 Immunohistochemistry: 1:100...                                                                                                                                                                                                     |

|        |                                                                        |
|--------|------------------------------------------------------------------------|
| Purity | Purified by immunoaffinity chromatography.                             |
| Form   | Supplied as a liquid in PBS, pH 7.2, 0.05% sodium azide, 50% glycerol. |
