| Alternative Catalog Number | USB-151945-200                                                                                                                                                                                                                                                |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, IHC, WB                                                                                                                                                                                                                                                |
| Immunogen                  | Recombinant MMP16 (Ala351~Asn557) expressed in E. coli.                                                                                                                                                                                                       |
| Product Description        | Applications: Suitable for use in ELISA, Western Blot, Immunohistochemistry, Immunocytochemistry. Other applications not tested. Recommended Dilution: ELISA: 1:100-200 Western Blot: 1:100-400 Immunocytochemistry: 1:100-500 Immunohistochemistry: 1:100... |
| Purity                     | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |
| Form                       | Supplied as a liquid in PBS, pH 7.2, 0.02% sodium azide, 50% glycerol.                                                                                                                                                                                        |
