## Product Datasheet

**Ebola Virus VP40 (VP-40, EBOV VP40, Viral Matrix protein VP40) (PE),  
IgG1, Clone: [15B327], Mouse, Monoclonal  
USB-226924-PE**

|                            |                                                                                                                                                                                                                                                                |
