### APRT, NT (Adenine Phosphoribosyltransferase), Rabbit USB-370918

|                            |   |
|----------------------------|---|
| Article Name               | APRT, NT (Adenine Phosphoribosyltransferase), Rabbit  |
| Biozol Catalog Number      | USB-370918  |
| Supplier Catalog Number    | 370918  |
| Alternative Catalog Number | USB-370918-100  |
| Manufacturer               | US Biological   |
| Host                       | Rabbit  |
| Category                   | Antikörper  |
| Application                | WB  |
| Immunogen                  | Synthetic peptide corresponding to a sequence at the N-terminal of human APRT (aa5-49, ELQLVEQRIRSFDFPTPGVVFRDISPVLKDPASFRAAIGLLARH), different from the related mouse sequence by 10aa, and from the related rat sequence by 9aa.                            |
| Product Description        | Adenine phosphoribosyltransferase (APRTase) is an enzyme encoded by the APRT gene, found in humans on chromosome 16. It belongs to the purine/pyrimidine phosphoribosyltransferase family. A conserved feature of this gene is the distribution of CpG din... |
| UniProt                    | <a href="#">P07741</a>  |
| Purity                     | Purified by immunoaffinity chromatography.  |
| Form                       | Supplied as a lyophilized powder from PBS, 5% BSA, 0.05% sodium azide. Reconstitute with 200ul sterile ddH2O.   |
