| Alternative Catalog Number | USB-411137-10,USB-411137-25                                                                                                                                                                                                                                                                |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                                              |
| Category                   | Biochemikalien                                                                                                                                                                                                                                                                             |
| Product Description        | 1,3-Dimethylpyrimidine-2,4-dione-5-boronic acid Molecular Formula: C <sub>6</sub> H <sub>9</sub> BN <sub>2</sub> O <sub>4</sub> Molecular Weight: 183.96 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the original vial prior to removing the cap.... |
| Molecular Weight           | 183.96                                                                                                                                                                                                                                                                                     |
