| Product Description        | 15-epi Prostaglandin A1 is a naturally occurring prostaglandin used in hypertension studies. Molecular Formula: C <sub>21</sub> H <sub>32</sub> O <sub>5</sub> Molecular Weight: 364.48 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the original vial prio... |
| Molecular Weight           | 364.48                                                                                                                                                                                                                                                                                              |
