## Product Datasheet

### AHCY (Adenosylhomocysteinase, AdoHcyase, S-adenosyl-L-homocysteine hydrolase, SAHH), Clone: [4H2], Mouse, Monoclonal USB-A1059-73E

|                            |                                                                                                                                                                                                                                                               |

| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                  | AHCY (AAH11606, 1-433aa) full length recombinant protein with GST tag. MW of the GST tag alone is 26kD.                                                                                                                                                       |
| Product Description        | S-adenosylhomocysteine hydrolase belongs to the adenosylhomocysteinase family. It catalyzes the reversible hydrolysis of S-adenosylhomocysteine (AdoHcy) to adenosine (Ado) and L-homocysteine (Hcy). Thus, it regulates the intracellular S-adenosylhomoc... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [4H2]                                                                                                                                                                                                                                                         |
