| Article Name               | IgG, Equine (TRITC)                                                                                                                                                                                               |
| Biozol Catalog Number      | USB-I1903-20E                                                                                                                                                                                                     |
| Supplier Catalog Number    | I1903-20E                                                                                                                                                                                                         |
| Alternative Catalog Number | USB-I1903-20E-1                                                                                                                                                                                                   |
| Manufacturer               | US Biological                                                                                                                                                                                                     |
| Category                   | Molekularbiologie                                                                                                                                                                                                 |
| Product Description        | Label: Tetramethylrhodamine isothiocyanate (TRITC) (Molecular Weight 444 daltons) Absorption Wavelength: 550 nm Emission Wavelength: 570 nm Fluorochrome/Protein Ratio: 3.1 moles TRITC per mole of Equine IgG... |
| Purity                     | Purified by ion exchange chromatography. IEP Assay shows a single precipitin arc against source serum protein and IgG.                                                                                            |
| Form                       | Supplied as a lyophilized powder in PBS, pH 7.2, 10mg/ml BSA, 0.09% sodium azide. Labeled with TRITC.                                                                                                             |
