| Manufacturer               | US Biological                                                                                                                                                                                                                                                                                       |
| Category                   | Biochemikalien                                                                                                                                                                                                                                                                                      |
| Product Description        | (S)-5,6-Dehydro Pregabalin is derived from rac 5,6-Dehydro Pregabalin (D230055), which is an impurity of the anti-convulsant, Pregabalin (P704800). Molecular Formula: C <sub>8</sub> H <sub>15</sub> NO <sub>2</sub> Molecular Weight: 157.21 Storage and Stability: Store at -20C. For maximum... |
| Molecular Weight           | 157.21                                                                                                                                                                                                                                                                                              |
