| Product Description        | 3-Bromo-4-chloro-4-fluoro-1,1-biphenyl is an analytical standard used in analytical chemistry. Molecular Formula: C <sub>12</sub> H <sub>7</sub> BrClF<br>Molecular Weight: 285.54000000000002 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the or... |
| Molecular Weight           | 285.54                                                                                                                                                                                                                                                                                     |
