| Alternative Catalog Number | USB-438123-100,USB-438123-250                                                                                                                                                                                                                                                                   |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                                                   |
| Category                   | Biochemikalien                                                                                                                                                                                                                                                                                  |
| Product Description        | 6-Bromo-5-cyano-2-mercaptobenzothiazole Molecular Formula: C <sub>8</sub> H <sub>3</sub> BrN <sub>2</sub> S <sub>2</sub> Molecular Weight: 271.16000000000003 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the original vial prior to removing the cap.... |
| Molecular Weight           | 271.16                                                                                                                                                                                                                                                                                          |
