| Host                       | Rabbit                                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | FLISA                                                                                                                                                                                                                                                         |
| Immunogen                  | Recombinant protein corresponding to aa395-638 from human angiotensin-converting enzyme 2 protein.                                                                                                                                                            |
| Product Description        | Angiotensin-converting enzyme 2 (ACE2), also known as ACAH, is an essential counter-regulatory carboxypeptidase of the renin-angiotensin hormone system, which is a critical regulator of blood volume, systemic vascular resistance, and thus cardiovascu... |
| UniProt                    | <a href="#">Q9BYF1</a>                                                                                                                                                                                                                                        |
| Purity                     | Purified by Protein G affinity chromatography.                                                                                                                                                                                                                |
| Form                       | Supplied as a liquid in 0.01M PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol. Labeled with Fluorescein isothiocyanate (FITC).                                                                                                                                   |
