| Alternative Catalog Number | USB-574187-50,USB-574187-100                                                                                                                                                                                                                                  |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, IHC                                                                                                                                                                                                                                                    |
| Immunogen                  | Recombinant protein corresponding to aa242-346from human Ankycorbin protein.                                                                                                                                                                                  |
| Product Description        | Plays a role in actin regulation at the ectoplasmic specialization, a type of cell junction specific to testis. Important for establishment of sperm polarity and normal spermatid adhesion. May also promote integrity of Sertoli cell tight junctions at... |
| UniProt                    | <a href="#">Q9P0K7</a>                                                                                                                                                                                                                                        |
| Purity                     | Purified by Protein G affinity chromatography.                                                                                                                                                                                                                |
| Form                       | Supplied as a liquid in 0.01M PBS, pH 7.4, 0.03% Proclin 300, 50% glycerol.                                                                                                                                                                                   |
