| Alternative Catalog Number | USB-582913-5                                                                                                                                                                                                                                                                                     |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                                                    |
| Category                   | Biochemikalien                                                                                                                                                                                                                                                                                   |
| Product Description        | CAS No: 86229-97-2 Molecular Formula: C <sub>41</sub> H <sub>50</sub> N <sub>6</sub> O <sub>9</sub> Molecular Weight: 770.9 Purity: 98% Storage and Stability: Store at -20C under inert atmosphere. For maximum recovery of product, centrifuge the original vial prior to removing the cap.... |
| Molecular Weight           | 770.9                                                                                                                                                                                                                                                                                            |
