| Alternative Catalog Number | ABS-BAF-H5261-1MG                                                                                                                                                         |
| Manufacturer               | AcroBiosystems                                                                                                                                                            |
| Host                       | Human                                                                                                                                                                     |
| Category                   | Proteine/Peptide                                                                                                                                                          |
| Species Reactivity         | Human                                                                                                                                                                     |
| Conjugation                | Unconjugated                                                                                                                                                              |
| Product Description        | Human BAFF Protein, Fc Tag (BAFH5261) is expressed from human 293 cells (HEK293). It contains AA Glu 140 Leu 285 (Accession Q9Y2751) trimer Design. - Proteine/Peptide... |
| Molecular Weight           | 76.7 kDa                                                                                                                                                                  |
| Tag                        | N-Fc                                                                                                                                                                      |
| NCBI                       | <a href="#">9</a>                                                                                                                                                         |
| Buffer                     | 50 mM Tris, 100 mM Glycine, 150 mM NaCl, pH7.5                                                                                                                            |
| Expression System          | Glu 140 - Leu 285                                                                                                                                                         |
| Purity                     | 95%                                                                                                                                                                       |
